<p>Jerry Smiley, AICP Dallas to Houston HSR EIS Project Director</p>	<p>M.S. Environmental Science, Indiana University M.P.A., Indiana University B.S. Biology, University of Texas at Arlington</p> <p>28 years of experience in environmental consulting and preparing NEPA documents</p>
<p>Megan Inman Dallas to Houston HSR EIS Project Manager</p>	<p>B.A. International Studies, Southwestern University</p> <p>18 years of experience managing high-profile projects 11 years of experience preparing NEPA documents and public involvement</p>

<p>Erin Lee Dallas to Houston HSR EIS Project Manager</p>	<p>M.S. Oceanography, Texas A&M University B.S. Microbiology, Texas A&M University</p> <p>16 years of experience conducting project management and NEPA environmental documentation 3 years of experience conducting environmental research, sampling, and data collection</p>
<p>Paulette Vander Kamp Dallas to Houston HSR EIS Deputy Project Manager</p>	<p>B.S. Civil Engineering, Southern College of Technology (now Southern Polytechnic State University)</p> <p>21 years of experience in the design and project management of preliminary and final construction plans for urban surface transportation projects</p>
<p>Reggie Herman, AICP NEPA Specialist</p>	<p>M.S. Urban and Regional Planning, University of Texas at Arlington B.S. Political Science, Texas A&M University</p> <p>15 years of experience in land use, environmental and transportation planning, NEPA documentation and public involvement</p>
<p>Laynee Jones, P.E. Transportation Senior Project Manager</p>	<p>B.A. Civil Engineering, Texas A&M University</p> <p>28 years environmental, transportation and NEPA experience</p>
<p>Natalie Hill NEPA Specialist</p>	<p>B.A. Environmental Studies, University of California, Santa Barbara</p> <p>11 years of experience preparing NEPA documents</p>
<p>Andrew Ittigson Project Quality Manager</p>	<p>M.S. Community and Regional Planning and Transportation, University of Texas B.A. History, University of Texas</p> <p>14 years of experience in urban and transit planning</p>
<p>Nancy Gates Public Involvement Specialist</p>	<p>M.A. Journalism, University of Texas B.A. English, Smith College</p> <p>32 years of experience in helping clients develop and implement proactive public involvement plans leading to successful project completion</p>
<p>Peggy Roberts Public Involvement Specialist</p>	<p>B.J. Journalism, University of Texas M.S. Public Communications and Technology, Colorado State University M.S. Organizational Leadership, Colorado State University</p> <p>26 years of experience in environmental planning and impact assessment and permitting</p>

Dallas to Houston HSR EIS – Appendix A: List of Preparers

Patrick Young, GISP GIS Manager	M.S. Geographic Information Sciences, University of Texas at Dallas B.S. Geography (GIS/Cartography), Texas State University 11 years of experience providing GIS support on engineering projects
Lynne Dissette GIS Analyst	B.S. Business Information Systems, University of Phoenix Civil Drafting Certificate Program, Denver Institute of Technology 38 years of experience in civil/geologic drafting 18 years of experience in GIS 17 years of experience in computer-aided design/drafting
Kristina Deitz GIS Specialist	B.S. Geographic Information Sciences, Texas A&M Corpus Christi M.S. Geospatial Surveying Engineering, Texas A&M Corpus Christi 6 years of experience in GIS
Helen Potter GIS Specialist	B.S. Geography, University of Nebraska 6 years of experience in GIS
John Wade Senior GIS Analyst	17 years of experience in GIS 27 years of experience in CAD
Kristen Lueken Economic Planner	M.S. Urban and Regional Planning, University of Iowa B.S. Physics, University of Iowa B.A. Science Education, University of Iowa 10 years of experience in transportation planning 6 years of experience preparing NEPA documents
Matthew Ables, AICP Urban Planner	M.S. City and Regional Planning, University of Texas at Arlington B.A. Anthropology, University of North Texas 2 year of experience in transportation planning and urban planning
Jason Aprill, AICP Urban Planner	M.C.R.P. Masters in City and Regional Planning, University of Texas at Arlington B.S. Psychology, Indiana Wesleyan University 6 years of experience in planning, including long-range plans and development review
Scott Bressler, AICP Senior Transportation Planner	M.S. Urban and Regional Planning B.S. Urban Studies, Metropolitan State University of Denver 21 years of experience in transportation planning 14 years of experience preparing NEPA documents
Taylor Cox Urban Planner	M.C.R.P., Kansas State University 6 years of experience in transit and transportation planning 3 year of experience in NEPA documentation

Keith Dewey, AICP Senior Planner	B.A. Geography, University of Missouri 24 years of experience in environmental consulting and preparing NEPA Documents
Kammy Horne, AICP NEPA Specialist	B.S. Environmental Science & Biology, Long Island University M.S. Community and Regional Planning, University of Texas 25 years of experience in planning on transportation projects
Toni Horst Economic Assessment Lead	Ph.D. Regional Science, University of Pennsylvania B.A. Economics and Government, Oberlin College 22 years of experience in transportation consulting
Andrew Jones Visual Simulation Specialist	B.S. Landscape Architecture, Washington State University 19 years of experience in projects dealing with visualization, project master planning, design and design guideline development
Kristine Kutscher Environmental Planner	B.S. Biology, University of Findlay 13 years of experience in environmental planning
Lee Nichols, GIS Senior Planner	M.S. City and Regional Planning, University of Texas at Arlington B.S. Forestry, Texas A&M University 19 years of experience in environmental consulting 8 years of experience preparing NEPA documents
Linda Peters Section 4(f) Lead	B.A. Anthropology, Arizona State University 19 years of experience in NEPA processes, environmental documents, and cultural resources reports
Josh Shane Urban Planner	M.S. Urban Planning, Texas A&M University B.S. Political Science, Texas A&M University 7 years of experience in urban planning consulting 5 years of experience preparing NEPA documents
Melinda Jensen Natural Resources Lead	B.S. Wildlife and Fisheries Management, Texas Tech University M.S. Zoology, Texas Tech University 16 years of consulting experience including program and project management of NEPA documents, natural resources management, and regulatory agency coordination
Thomas Allemand Senior Environmental Scientist	M.S. Aquatic Biology, Texas State University B.S. Biology, Stephen F. Austin State University 18 years of experience in biology, environmental science, and planning

Samantha Arnold Environmental Scientist	B.S. Marine Biology, Texas A&M Galveston 7 years of experience in environmental survey 5 years of experience in wetland delineation
Justin Baker Environmental Scientist	M.S. Environmental and Water Resources Engineering, University of Texas M.A. Global Policy Studies, University of Texas B.S. Chemistry, Southern Illinois University 4 years of experience in environmental and water resources consulting
Vanessa Benavides, PE, CFM Environmental Engineer	B.S. Civil Engineering, University of Texas 8 years of experience in water resources engineering
Ronda Derk Senior Environmental Scientist	B.S. Environmental Health Sciences, Environmental Management, East Central University of Oklahoma 11 years of experience in environmental consulting and NEPA document preparation 10 years of experience in corporate/national environmental programs management 4 years of experience in private/regional environmental, health and safety
Susan Fischer Ecologist	M.S. Wildlife Ecology, Texas State University B.A. Biology, Indiana University 4 years of experience in environmental consulting 4 years of experience in wetland delineations
Jolie Henricks Ecologist	B.S. Wildlife and Fisheries Biology, University of California, Davis 12 years of experience in environmental consulting 8 years of experience in permitting and habitat assessment
Timothy D. Love Professional Wetlands Scientist	M.S. Botany and Microbiology, Arizona State University B.A. Biology, Washington University St. Louis 37 years of experience in wetland identification and delineation
Jennifer Oakley, MSc Ecologist	M.S. Wildlife Ecology, Texas State University B.S. Environmental Science, West Texas A&M University B.S. Biology, West Texas A&M University 7 years of experience in consulting and NEPA 9 years of wildlife ecology and environmental science
Josh Orr Wetlands Scientist	B.S. Environmental Science, Texas State University 14 years of experience in environmental consulting 11 years of experience conducting NEPA documentation

Allyson Rezac Environmental Scientist	B.S. Biology, James Madison University 7 years of experience in environmental consulting 4 years of experience in preparing NEPA documents
Nevin Durish Senior Environmental Scientist	B.S. Zoology, Texas Tech University 13 years of experience in biology, environmental science and planning
Carl Sepulveda, PE Environmental Engineer	B.S. Bioengineering, Texas A&M University 14 years of experience in Phase I environmental site assessments, environmental impact statements, ecological condition reports, watershed and environmental modeling, environmental permitting, and GIS analysis
Bill Tillar Senior Environmental Scientist	M.S. Atmospheric Science, University of Michigan B.S. Atmospheric Science, Creighton University 26 years of experience in environmental consulting, including air quality modeling and NEPA environmental compliance
Sara Weaver Biologist	M.S. Wildlife Ecology, Texas State University B.S. Biology, Texas State University 7 years of experience in habitat assessments, ecological and threatened endangered species consulting 4 years of experience preparing NEPA documents
Monica Wedo, PE Water Resources Engineer	M.S. Environmental and Water Resources Engineering, University of Texas B.S. Civil Engineering, University of Virginia 16 years of experience in environmental and water resources engineering consulting
Terri West, PG Professional Geologist	B.S. Geology, Texas A&M University 32 years of experience in environmental compliance, environmental restoration, water planning, and project management
Lara Zuzak Senior Environmental Planner	M.S. Community & Regional Planning/ Environmental and Natural Resources, University of Texas B.S. Biology, University of Tennessee 25 years of experience in environmental consulting 20 years of experience preparing NEPA documents
Tyler Besch Senior Transportation Planner	B.S. Urban and Regional Planning, Arizona State University 12 years of experience in transportation planning

Dallas to Houston HSR EIS – Appendix A: List of Preparers

Sam Higgins, PE, PTOE Senior Traffic Engineer	B.S. Civil Engineering, University of Texas M.S. Engineering, University of Texas 11 years of experience in transportation and traffic engineering
Preston Kutney, EIT, ENV, SP Civil Engineer	B.S. Civil Engineering, Brigham Young University 5 years of experience in civil design and water resources engineering
Gayle Nicoll, REP Senior Scientist	Ph.D. Chemistry, Purdue University M.S. Analytical Chemistry, Purdue University B.S. Chemistry, Indiana University B.S. Physics, Indiana University 17 years of experience in environmental, health and safety
Jennifer Pyne, AICP Senior Transportation Planner	M.E.P. Environmental Planning, Arizona State University B.A. Politics, Oberlin College 22 years of experience in environmental consulting 17 years of experience preparing NEPA documents
Ethan Rauch Senior Transportation Planner	M.S. Transportation, Northwestern University B.A. History, Brown University 32 years of experience in transportation planning 29 years of experience in consulting
Huda Shihada, PE Environmental Engineer	Ph.D. Civil Engineering, University of Texas at Arlington M.S. Civil Engineering, Florida Atlantic University B.S. Chemical Engineering, American University of Sharjah 7 years of experience in environmental compliance and consulting
Doug Smith Senior Transportation Planner	M.S. Forest Ecology, Michigan State University B.S. Forest Science, Humboldt State University 45 years of experience in environmental field 28 years of experience in environmental consulting and NEPA experience
John Song, PE, PTOE Senior Traffic Engineer	Ph.D. University of California, Irvine B.S. and M.S. Civil Engineering, Tongji University China 20 years of experience in transportation planning, traffic engineering studies, and design
Tanya McDougall Senior Architectural Historian	M.S. Historic Preservation, Eastern Michigan University B.A. History, Eastern Michigan University 13 years of experience in historic preservation 10 years of experience in preparing compliance documentation for Section 106 and NEPA

<p>Steve Ahr, PI Principal Investigator Senior Archaeologist, Geoarchaeologist</p>	<p>Ph.D. Geology, Baylor University M.A. Anthropology, Texas A&M University B.A. Anthropology, Texas A&M University</p> <p>22 years of experience in cultural resources management</p>
<p>Deborah Anglin Architectural Historian</p>	<p>M.A. Historic Preservation/World Heritage Brandenburg Technical University, Germany B.A. Social Work, Texas Tech University</p> <p>12 years of experience working in historic preservation</p>
<p>Adrienne Campbell Senior Historic Preservation Specialist</p>	<p>M.S. Historic Preservation, University of Texas B.A. Anthropology and Art, College of William and Mary</p> <p>21 years of experience in architectural history, preservation planning, and cultural resource management</p>
<p>Hilary Dafoe Archaeological Crew Chief</p>	<p>B.A. Anthropology, State University of New York at Cortland B.A. History, State University of New York at Cortland</p> <p>17 years of experience in archaeology</p>
<p>Shelley Hartsfield, MA, PI Project Archaeologist</p>	<p>M.A. Anthropology, University of Texas at Arlington B.S. Anthropology, Southern Methodist University</p> <p>17 years of experience in cultural resource management</p>
<p>Gary Hawkins Archaeologist</p>	<p>B.A. Anthropology, University of Mississippi</p> <p>11 years of experience in cultural resource survey</p>
<p>Andrew Parkyn Archaeologist</p>	<p>B.S.c. Archaeology and Paleoecology, The Queen’s University of Belfast, UK M.S.c. Archaeological Prospection, The University of Bradford, UK Ph.D. Archaeological Geophysics, The University of Bradford, UK</p> <p>7 years of experience in archaeology</p>
<p>Chris von Wedell, MA, RPA Archaeologist</p>	<p>M.A. Anthropology, Colorado State University B.A. Anthropology, University of Kansas</p> <p>13 years of experience in environmental consulting 6 years of experience preparing NEPA documents</p>
<p>Leslie Roche, AICP NEPA/Section 4(f) Specialist</p>	<p>B.A. Anthropology, Drew University</p> <p>37 years of experience in environmental planning, NEPA, and Section 4(f) and 6(f) and permitting</p>
<p>Laura McWethy Transportation Planner</p>	<p>M.S. Civil Engineering, University of Texas at Austin B.S., Civil Engineering, Calvin College</p> <p>13 years of experience in travel demand forecasting, survey design and analysis, model development and application, and market analysis</p>

<p>Carey Barr Economic Forecasting</p>	<p>M.S. Transportation Engineering, University of Texas at Austin B.S. Civil Engineering, North Carolina State University</p> <p>8 years of experience conducting economic impact analysis of transportation investments</p>
<p>Jennifer Bell Planning and Permitting</p>	<p>Master of Urban and Regional Planning, Portland State University B.S. Environmental Studies, University of Kansas</p> <p>13 years of experience in NEPA compliance, environmental planning, and permitting</p>
<p>Jeff Brown Senior Ecologist</p>	<p>M.En. Environmental Science, Miami University B.A. Zoology, Miami University</p> <p>24 years of experience conducting research, data sampling, and analysis of endangered species project impacts for both formal and informal Section 7 consultations with USFWS 10 years of experience preparing NEPA environmental documentation</p>
<p>Pat Coleman Ridership Forecast</p>	<p>MS, Engineering, The University of Texas at Austin BS, Civil Engineering, Auburn University</p> <p>28 years of experience providing transportation systems planning services, travel forecasting, ridership, and evaluation of transportation projects</p>
<p>Amanda Hargrave, AWB®, MS Ecologist</p>	<p>M.S. Wildlife Ecology, Texas State University B.S. Wildlife Biology, Texas State University</p> <p>5 years of experience assisting in NEPA environmental documentation, T&E and wildlife field surveys and research, wildlife management, and ecological studies</p>
<p>Joseph Jandle, MS, AWB® Ecologist</p>	<p>BS in Wildlife Biology, Texas State University MS in Wildlife Ecology, Texas State University</p> <p>3 years of field/technical experience in natural resources and environmental impact assessment, including NEPA projects 3 years conducting wildlife surveys and research for public and private organizations</p>
<p>Payton Prather Ecologist</p>	<p>MSc Wildlife Ecology, Texas State University BS Wildlife Biology, Texas State University</p> <p>5 years of ecological experience including 4 years of biological monitoring experience for the Houston Toad, biological survey, data collection, active monitoring, and assessments</p>

Cecilia Miars, AICP Environmental Planner	M.A. Environmental Studies, University of North Carolina at Wilmington B.S. Design, East Carolina University 7 years of experience conducting NEPA environmental documentation and project management
Christy Shumate, AICP Transportation Planner	MEM Environmental Management, Duke University BS Natural Sciences & Mathematics, Washington & Lee University 18 years of experience in NEPA documentation, community impact assessment, and environmental analysis for transportation projects
Susan Westberry, AICP, PWS, CPESC Senior Transportation Planner	M.S. Botany, North Carolina State University B.S. Wildlife Management and Ecology, University of New Hampshire 20 years of experience in NEPA, environmental planning, and project management
Robin Marshall Senior Technical Editor	BA, English, University of Tennessee 29 years of experience editing NEPA documentation

Cross Spectrum Acoustics

Lance Meister Noise and Vibration Specialist	B.S. Civil Engineering, Temple University 20 years of experience in transit and rail-related noise and vibration projects
David Towers, PE, INCE Bd Cert Noise and Vibration Specialist	M.S. Mechanical Engineering, Purdue University B.S. Mechanical Engineering, Columbia University B.A. Pre-Engineering, Queens College (CUNY) 42 years of experience in acoustical consulting 38 years of experience in noise and vibration analysis for rail transportation projects
Scott Edwards Noise and Vibration Analyst	B.S.E Acoustical Engineering and Music, University of Hartford 5 years of experience in noise and vibration analysis for transit, highway, and sound insulation projects
Joelle I. Suites Noise and Vibration Analyst	M.S.E. Mechanical Engineering, University of Texas B.S. Mechanical Engineering, University of Colorado 5 years of experience in acoustics
