

March 11, 2021

Mr. Michael Lestingi Director, Office of Policy and Planning Federal Railroad Administrator U.S. Department of Transportation 1200 New Jersey Avenue, SE Washington, DC 20590

Dear Mr. Lestingi:

In accordance with the *Metrics and Minimum Standards for Intercity Passenger Rail Service* final rule published on November 16, 2020 (the "Final Rule"), this letter serves as Amtrak's report to the Federal Railroad Administration that, as of March 10, 2021, Amtrak has provided the 29 host railroads over which Amtrak currently operates (listed in Appendix A) with ridership data for the prior month consistent with the Final Rule.

The following data was provided to each host railroad:

- the total number of passengers, by train and by day;
- the station-specific number of detraining passengers, reported by host railroad whose railroad right-of-way serves the station, by train, and by day; and
- the station-specific number of on-time passengers reported by host railroad whose railroad rightof-way serves the station, by train, and by day.

Please let me know if you have any questions.

Sincerely,

Amtrak

March 15, 2021

Mr. Michael Lestingi Director, Office of Policy and Planning Federal Railroad Administrator U.S. Department of Transportation 1200 New Jersey Avenue, SE Washington, DC 20590

Dear Michael:

In accordance with the *Metrics and Minimum Standards for Intercity Passenger Rail Service* final rule published on November 16, 2020 (the "Final Rule"), this letter serves as Amtrak's report to the Federal Railroad Administration of the number of certified schedules, uncertified schedules, and disputed schedules, reported by train, by route, and by host railroad (excluding switching and terminal railroads), as provided in Appendix A.

Please let me know if you have any questions.

Sincerely,

Jim Blair Sr. Director, Host Railroads Amtrak
