Lisa:

The attached contains the current e-mail addresses for our public notices. Unfortunately, the only form it comes in is as an Outlook group mailing list.

The name identifier of the email list does not always indicate the name of the person but will usually identify the agency in the e-mail address.

Private individuals are also interspersed throughout the list and, with few exceptions, would not have an agency associated with them.

I believe Ken Carlton (Choctaw) would be an exception. He was coordinated with but not with the initial PN

Both he, and everybody on the North Rail Connector Project Meeting (2/1/21 @1:30 PM CST) should have received the information in the PN.

Sorry for the electronic list. The only list I could compile was as follows:

U.S. Environmental Protection Agency
61 Forsyth Street, SW
Atlanta Georgia 30303

Mississippi Department of Environmental Quality Attention: Ms. Florance Watson
Water Quality Branch Chief
Post Office Box 2261
Jackson, Mississippi 39225

Mississippi Department of Marine Resources
1141 Bayview A venue
Biloxi, Mississippi 39530

U.S. Fish and Wildlife Service
Attention: Mr. Paul Necaize
Coastal Projects
6578 Dogwood View Parkway, Suite A Jackson, Mississippi 32913

Thank you,
Rudy
