October 18, 2022

Dear Mr. Fry:

This letter responds to the Silverline (SLVR) submission dated October 17, 2022, to the Federal Railroad Administration (FRA) seeking approval of the SLVR Conductor Certification Program received by FRA on October 17, 2022. (SLVR) has complied with FRA's procedures for submission and approval of its program as described in Appendix B to 49 CFR part 242. FRA reviewed the railroad's program and determined the program conforms with the requirements of 49 CFR Part 242.

Your submission package states that no labor organizations represent the railroad's employees.

The program is consistent with the previously approved Commuter Rail Programs model. The Silverline program follows the requirements 49 CFR Part 242 and Appendix B of the same part. Please remember any material modifications introduced into the plan must be submitted to FRA for approval before implementing those changes.

Please contact me with any questions regarding this submission at (202) 366-0978 or [FRAOPCERTPROG@dot.gov](mailto:FRAOPCERTPROG@dot.gov) or [Kevin.Lewis@dot.gov](mailto:Kevin.Lewis@dot.gov)

Sincerely,

Kevin Lewis  
FRA Program Manager Certification
