

Public reporting burden for this information collection is estimated to average 10 minutes per response, including the time for reading, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. According to the Paperwork Reduction Act of 1995 and its implementing regulations, a respondent is not required to respond to, conduct, or sponsor a collection of information that does not display a currently valid OMB control number. FRA intends to obtain such OMB approval for all activities within this collection of information. All responses to this collection of information are mandatory for the grantees and voluntary for all others. Send comments regarding this burden estimate or any other aspect of this collection, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Railroad Administration, Office of Railroad Safety, Regulatory Analysis Division, 1200 New Jersey Ave S.E., Washington D.C. 20590.

REPORT OF RAILROAD TRESPASSER FORM

INFORMATION BELOW TO BE PROVIDED BY LAW ENFORCEMENT REGARDING RAIL TRESPASSING/ENFORCEMENT ACTIVITIES

This form will be used only by law enforcement agencies (LEOs) that perform rail trespassing enforcement activities to report those activities to the Federal Railroad Administration (FRA). LEOs receiving FRA grant funding are required to fill out FRA F 6180.178. Other LEOs not receiving grant funding may voluntarily provide this data to FRA. The activities undertaken will help to reduce the number of trespasser incidents and also help FRA target and determine the effectiveness of various rail trespass prevention activities.¹ Please complete and submit one form per trespassing incident regardless of the number of trespassers observed during the incident.

To protect your privacy and the privacy of others, no Personally Identifiable Information is required, asked for, or retained.
