Dear Mr. Fransen

This letter responds to Camp Chase Railroad (a Pinsly Railroad Company), submission to the Federal Railroad Administration (FRA) requesting approval of modifications to its approved Engineer and Conductor Certification Programs. FRA has reviewed the submissions and determined that the proposed changes are non-material and do not require in-depth formal review by FRA. The updated programs are now on file with FRA.

Thank you for submitting the updated programs to ensure FRA maintains the current approved versions. If you have any questions or concerns, please contact me at (918-557-0651) or by email at [FRAOPCERTPROG@dot.gov](mailto:FRAOPCERTPROG@dot.gov).

Sincerely,

Kevin Lewis  
Program Manager  
Engineer and Conductor Certification & Training
