February 17, 2026

Mr. Bailey,

This letter responds to the February 12, 2026, submission from Canadian National (CN) requesting approval of revisions to its Conductor Certification Program under 49 C.F.R. Part 242.

FRA has reviewed the submission and determined that the proposed revisions are non-material and do not require further formal review. The updated Conductor Certification Program is now accepted and on file with FRA.

Thank you for submitting the revised program to ensure that FRA maintains the current approved version. Should you have any questions regarding your certification program, please contact Kurt Erickson or me at Kevin.Lewis@dot.gov or Kurt.Erickson@dot.gov

Sincerely,

Kevin Lewis
Program Manager
Engineer and Conductor Certification & Training
