| Taylor Cox Urban Planner | M.C.R.P., Kansas State University 4 years of experience in transit and transportation planning 1 year of experience in NEPA documentation |
| Keith Dewey, AICP Senior Planner | B.A. Geography, University of Missouri 22 years of experience in environmental consulting and preparing NEPA Documents |
| Kammy Horne, AICP NEPA Specialist | B.S. Environmental Science & Biology, Long Island University M.S. Community and Regional Planning, University of Texas 23 years of experience in planning on major transportation projects |
| Toni Horst Economic Assessment Lead | Ph.D. Regional Science, University of Pennsylvania B.A. Economics and Government, Oberlin College 20 years of experience in transportation consulting |
| Andrew Jones Visual Simulation Specialist | B.S. Landscape Architecture, Washington State University 17 years of experience in projects dealing with visualization, project master planning, design and design guideline development |
| Kristine Kutscher Environmental Planner | B.S. Biology, University of Findlay 11 years of experience in environmental planning |
| Lee Nichols, GIS Senior Planner | M.S. City and Regional Planning, University of Texas at Arlington B.S. Forestry, Texas A&M University 17 years of experience in environmental consulting 6 years of experience preparing NEPA documents |

| | |
|--|---|
| Linda Peters Section 4(f) Lead | B.A. Anthropology, Arizona State University 17 years of experience in NEPA processes, environmental documents and cultural resources reports |
| Josh Shane Urban Planner | M.S. Urban Planning, Texas A&M University B.S. Political Science, Texas A&M University 5 years of experience in urban planning consulting 3 years of experience preparing NEPA documents |
| Melinda Jensen Natural Resources Lead | B.S. Wildlife and Fisheries Management, Texas Tech University M.S. Zoology, Texas Tech University 16 years of consulting experience including program and project management of NEPA documents, natural resources management and regulatory agency coordination |
| Thomas Allemand Senior Environmental Scientist | M.S. Aquatic Biology, Texas State University B.S. Biology, Stephen F. Austin State University 16 years of experience in biology, environmental science and planning |
| Samantha Arnold Environmental Scientist | B.S. Marine Biology, Texas A&M Galveston 5 years of experience in environmental survey 3 years of experience in wetland delineation |
| Justin Baker Environmental Scientist | M.S. Environmental and Water Resources Engineering, University of Texas M.A. Global Policy Studies, University of Texas B.S. Chemistry, Southern Illinois University 2 years of experience in environmental and water resources consulting |
| Vanessa Benavides, PE, CFM Environmental Engineer | B.S. Civil Engineering, University of Texas 6 years of experience in water resources engineering |
