

## Appendix B: Distribution List

### Distribution

The distribution of the Dallas to Houston High-Speed Rail EIS emphasizes the importance of providing the documents in a number of different formats to ensure the information is fully accessible to members of the public. This includes the use of electronic media to ensure cost effective, broad availability to the public and interested parties. The entire Draft EIS is available on the FRA Dallas to Houston website (<https://www.fra.dot.gov/Page/P0700>). In addition to providing the documents in electronic format, the Draft EIS is also available in hard copy at the repositories listed below.

Notice of availability of the Draft EIS has been included in the Federal Register. Repositories and cooperating agencies were sent both hard and electronic copies of the Draft EIS.

Federal, state, and county elected officials, mayors of cities with stations, and the potentially affected local agencies were mailed an informational letter and instructions on how to obtain a copy of the Draft EIS. Additional local elected officials and agency representatives and all others on the project mailing list have been mailed a notification that includes information about how to access the Draft EIS.
