The purpose of the Washington Union Station Expansion Project is to:

- Support current and future growth in rail service and operational needs;
- Achieve compliance with Americans with Disabilities Act (ADA) and emergency egress requirements;
- Facilitate intermodal travel;
- Provide a positive customer experience;
- Enhance integration with the adjacent neighborhoods, businesses, and planned land uses;
- Sustain the Station's economic viability; and
- Support continued preservation and use of the historic station building.

The Project is needed to improve rail capacity, reliability, safety, efficiency, accessibility, and security for both current and future railroad operations at this historic station.

The Federal Railroad Administration appreciates your input **on the DEIS Alternatives**. We request **your input by providing comments on this form**. You can also provide comments through the project website: [www.WUSstationexpansion.com](http://www.WUSstationexpansion.com) or by e-mailing [info@wusstationexpansion.com](mailto:info@wusstationexpansion.com).

Please use the space below to provide **general comments** based on the information provided during the meeting today:
