

TECHNICAL BULLETINS

SUBJECT: Source Codes

Circulated and  
Effective: May 1, 1985

NUMBER: TB-89-03

ORIGINAL ISSUE NUMBER AND DATE: TB-85-06  
July 1, 1985

DISCIPLINE: General

REISSUE DATES: May 1, 1989

Effective May 1, 1985, the following source codes will be included in the appropriate space on all inspection reports. Minor revisions have been made in order that source codes will be consistent for all disciplines.

For those disciplines that are required to enter file numbers when certain types of inspections are made, these instructions have not changed. File numbers will still be required.

Track

1. Complaint investigation.
2. Regular inspection.
3. Waiver investigation.
4. ATIP followup.
5. Special investigations and assessments.
6. Accident investigations.
7. Federal Assistance investigation.
