Project Environmental Impact Report/Environmental Impact Statement

Revised Draft EIR/  
Supplemental Draft EIS

## Fresno to Bakersfield Section Volume II: Appendix 3.1-A Parcels Impacted by the Project Footprint

July 2012

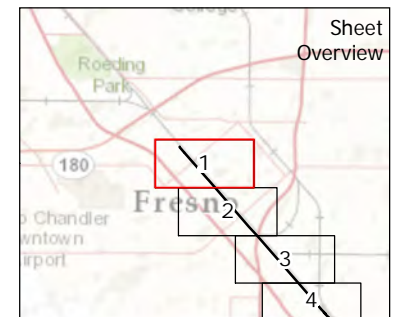

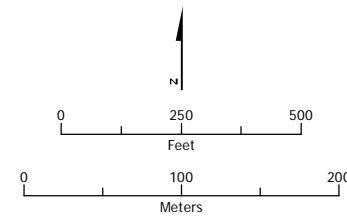

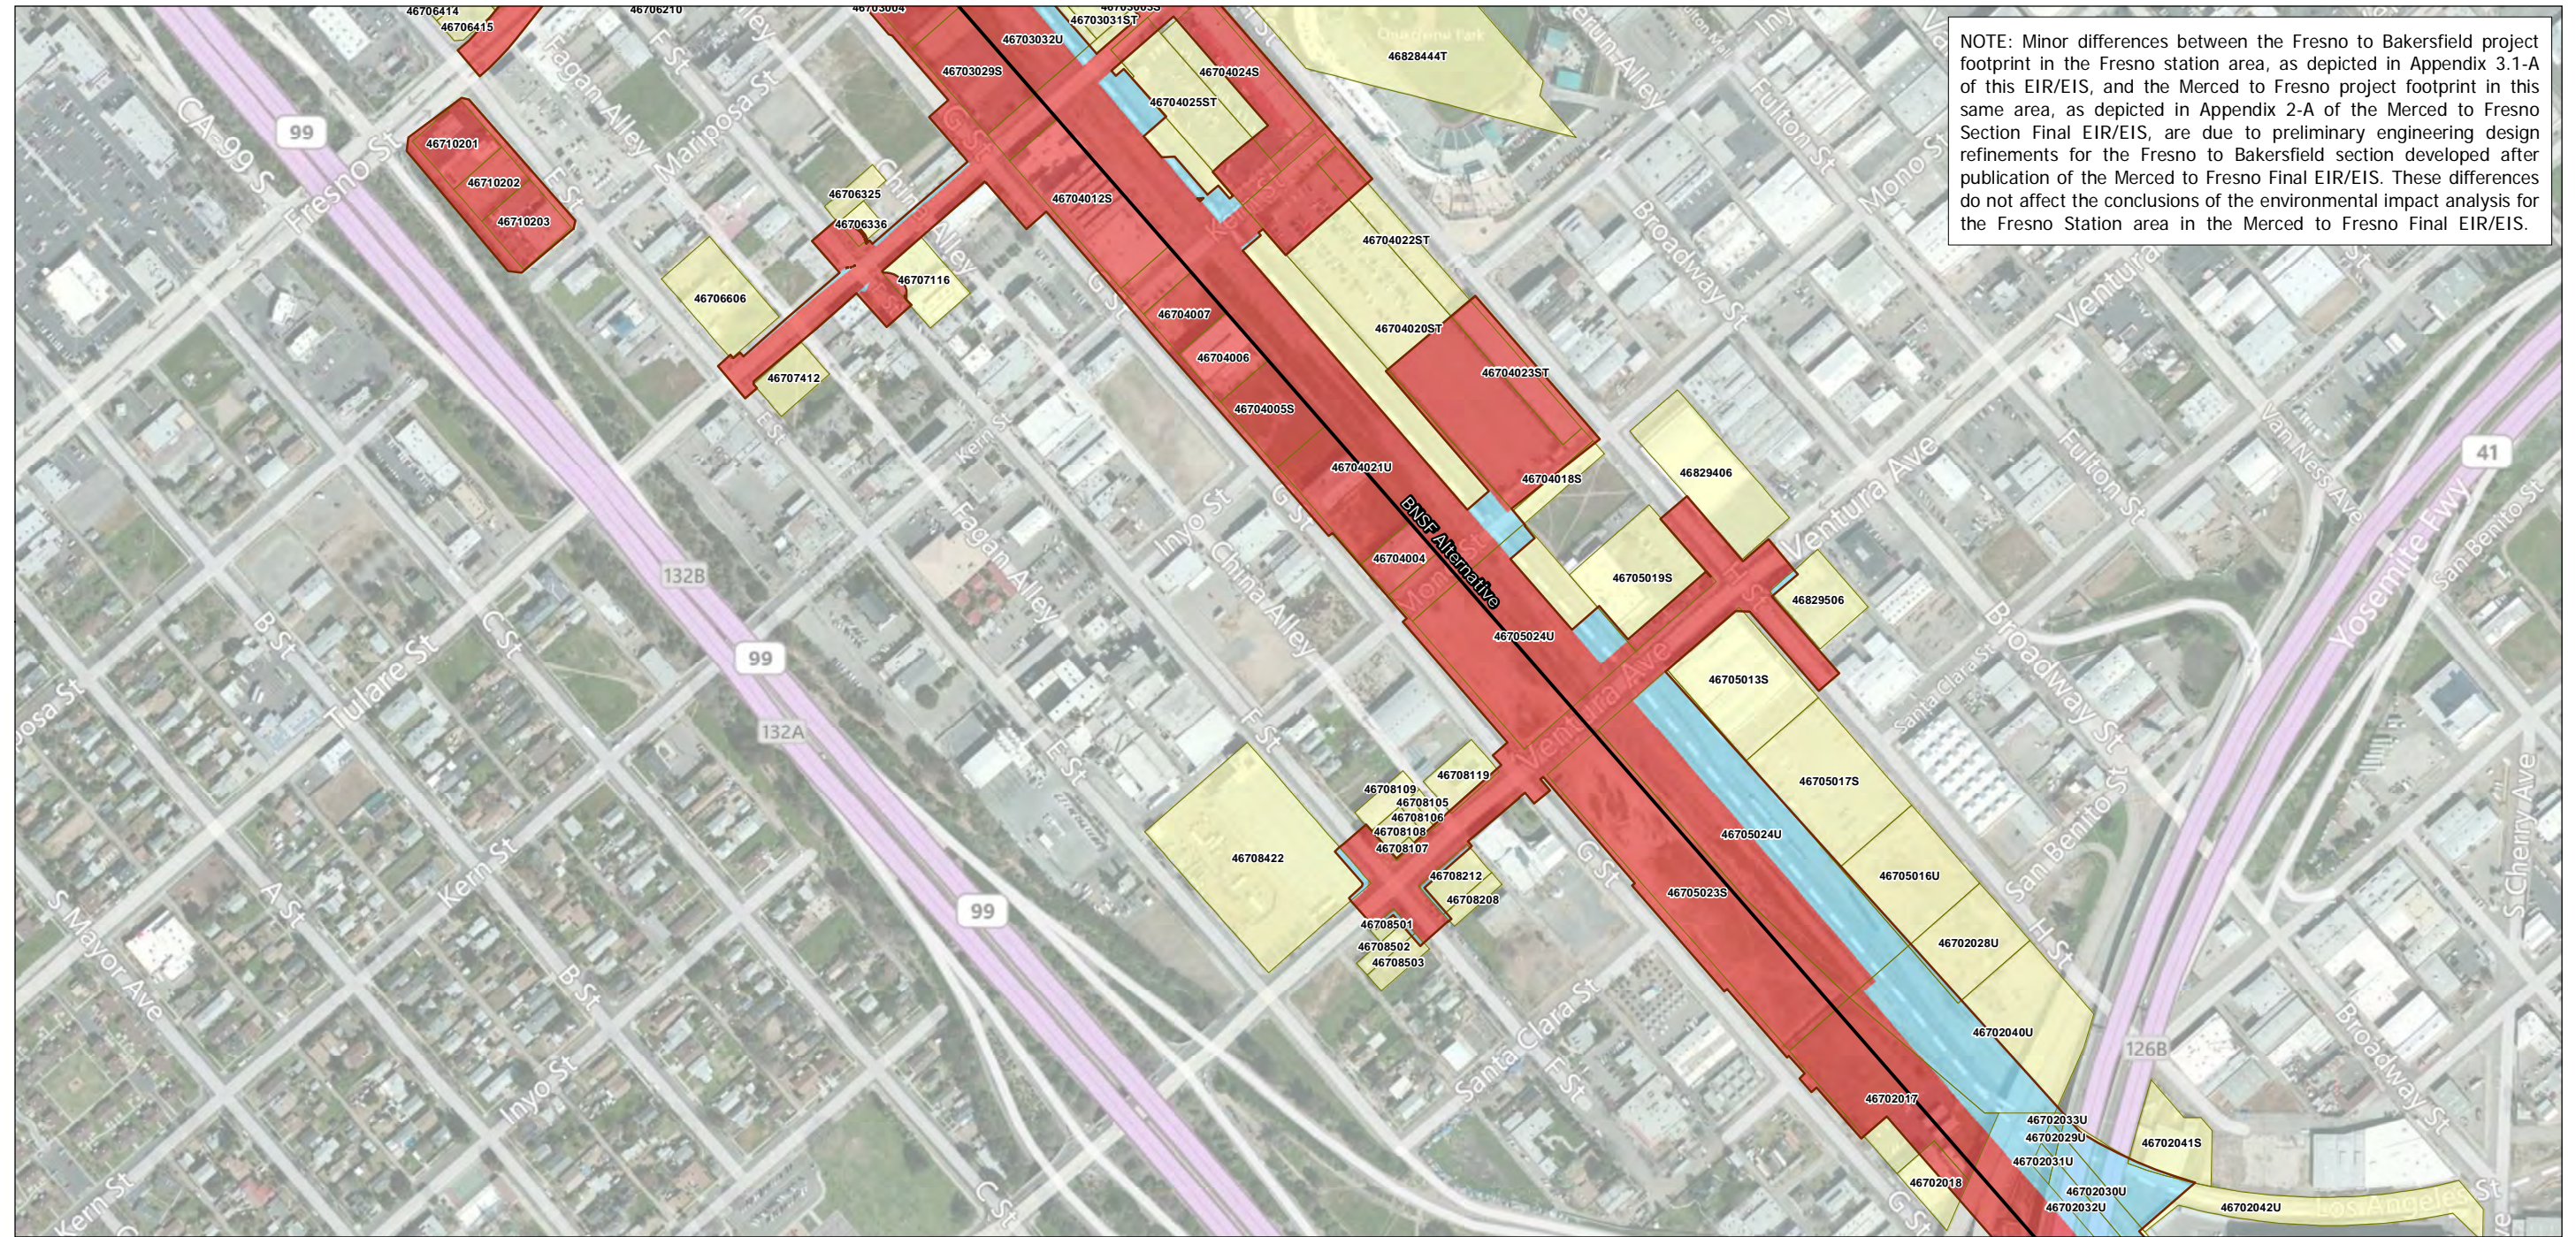

NOTE: Minor differences between the Fresno to Bakersfield project footprint in the Fresno station area, as depicted in Appendix 3.1-A of this EIR/EIS, and the Merced to Fresno project footprint in this same area, as depicted in Appendix 2-A of the Merced to Fresno Section Final EIR/EIS, are due to preliminary engineering design refinements for the Fresno to Bakersfield section developed after publication of the Merced to Fresno Final EIR/EIS. These differences do not affect the conclusions of the environmental impact analysis for the Fresno Station area in the Merced to Fresno Final EIR/EIS.
